

Discovery Questionnaire

Marlin Moodley Digital Insurance Platform — pre-project scoping

Prepared by Move Digital
September 2026 · Confidential
±15 minutes to complete

Why these questions: your answers let us convert the proposal's estimates into a fixed-scope, fixed-price statement of work and a committed delivery date. Short answers are fine — where you're unsure, write "unsure" and we'll investigate it together in Sprint 0. Nothing here commits you to anything.

A Your current systems

DETERMINES: BUILD VS INTEGRATE

1. What is your **current CRM or client-management system** called, and is it cloud-based or installed on a PC?

2. Does anything currently **connect to it** (email, website forms, insurer feeds)? Does it have an API, as far as you know?

3. Who **administers** it — your practice, Masthead, or a software vendor?

4. Who controls your **domain, website hosting and WordPress admin**, and can you provide access?

B Insurers & products

DETERMINES: QUOTE INTEGRATIONS

5. Which insurers do you hold **agency codes / contracts** with? (List short-term and life separately.)

6. Do you already use any **broker administration platform** — even just a login?
☐ Brolink / Websure ☐ OWLS ☐ Genasys ☐ Cardinal ☐ Other: _____ ☐ None
7. Which **product lines must be quotable at launch**, and roughly how many quotes do you request per month today?
☐ Car / household (short-term) ☐ Life / risk cover ☐ Business insurance Quotes p/m: _____

C Compliance & licensing

DETERMINES: THE CRITICAL PATH

8. Who is your **compliance contact at Masthead**, and have you discussed digital client journeys with them yet?

9. Do you have existing **FICA/onboarding procedures and privacy or complaints documentation** we should build on?
☐ Yes — will share ☐ Partial ☐ No — please author

D Clients & data

DETERMINES: MIGRATION EFFORT

10. Roughly how many **active clients and in-force policies** do you serve?

Clients: _____ Policies: _____

11. Where does client data **live today**?

☐ Spreadsheets ☐ Email ☐ Paper files ☐ Insurer portals ☐ CRM (Q1)

12. Who will **use the system** besides you — any assistant, paraplanner, or planned hires in the next year?

E Channels & brand

DETERMINES: WHATSAPP LEAD TIME & OPTIONS

13. Is your business number already on **WhatsApp** (personal or Business app), and do you have a **verified Meta Business Manager**?

14. Do you expect the app in the **Apple / Google app stores at launch**, or is the installable web app sufficient to start?

☐ App stores at launch (priced option) ☐ Installable web app first ☐ Unsure — advise me

15. Keep your **current logo and brand**, or refresh it as part of the relaunch?

☐ Keep ☐ Light refresh ☐ Full rebrand (separate scope)

F Commercial & support

DETERMINES: PLAN & SLA

16. What is driving the **2–3 month timeline** — a specific date or event, or general urgency?

17. What are your **support expectations** once live?

☐ Business hours ☐ Evenings & weekends too Expected response time: _____

18. Anything else we should know — existing supplier commitments, past projects, or concerns?
